Early Literacy & Numeracy

VISION: Leaders and stakeholders have the knowledge and skills to effectively implement and support literacy and numeracy fluency within their district and/or building. Each student has the necessary foundational skills to be fluent in both literacy and numeracy.

Multi-Tiered Systems of Support including the Whole Child & Balanced Assessment

VISION: BAISD develops and provides professional learning that supports the foundational understanding of MTSS in order to implement with fidelity.

Career & Technical Education

VISION: BAISD will empower districts to guide students in exploring career interests, forging a meaningful path to postsecondary success.
