## Deepening Math Instruction with **Number Corner**

### **FACILITATED BY**

Marcus Deja

### **AUDIENCE**

K-5 Teachers who have access to Bridges Number Corner.

This session explores how the Bridges Number Corner program supports mathematical development across grade levels. Participants will analyze grade-level progressions, identify key shifts in content and practice, and collaborate to better understand how foundational skills build over time within each Workout. The session will provide opportunities to reflect on vertical alignment and make instructional connections that strengthen student learning from year to year.
