AUDIENCE

Administrators and coaches

Date

September 25, 2025

Time

9:00 am-3:00 pm

Cost

No cost

Lunch will be included

Register Now!

Join us for an essential session focused on assessment updates and strategic data use. We will cover the latest changes to NWEA, PSAT/SAT, and MSTEP, explore effective goal-setting strategies for principals, teachers, and students, and share practical data protocols for collaborative conversations. The session will conclude with guidance on building focused action plans aligned to principal goals. Equip your team with the tools to turn data into impact!
