

Empowering Elementary Educators: Implementing the Michigan Model for Health

Lunch is provided and sub-reimbursement is available.

Audience: Elementary teachers, health educators, and school staff responsible for implementing or interested in adopting the Michigan Model for Health curriculum.

Facilitator: Barry Schmidt, Health Coordinator

Whether you're new to MMH or looking for a refresher, this training will provide valuable insights and practical strategies.

Join us for an engaging and interactive training designed to equip elementary educators with the knowledge, skills, and confidence to implement the Michigan Model for Health (MMH) curriculum effectively. This session will provide a comprehensive overview of MMH's evidence-based approach to teaching health education while aligning with Michigan Health Education Standards and the Whole School, Whole Community, Whole Child (WSCC) Model.

Empower your students with essential life skills for healthy decision-making, emotional well-being, and lifelong wellness—sign up today!

*If you are an educator in a district or ISD outside of BAISD or IRESA, additional fees may apply.
