

# K-5 LITERACY LEADER NETWORK

This ongoing Literacy Leader Network is designed to build upon the knowledge gained from The Writing Revolution book. This learning opportunity aims to empower educators to enhance student learning across all subjects and grade levels through effective writing instruction. Participants will deconstruct the writing process into smaller, actionable steps, acquire versatile strategies and activities that can be integrated into any curriculum. Participants will also engage in collaborative discussions to explore how the Literacy Essentials Instructional Practices align with the LETRS modules.

## AUDIENCE:
