

Literacy Launchpad:

A Deep Dive Into 4th and 5th Grade Literacy Instruction

AUDIENCE

4th and 5th Grade Teachers, Literacy Coaches

Literacy Launchpad will provide two separate days of instructional strategies to support 4th and 5th grade teachers with enhancing their literacy instruction. Day 1 will focus on Tier I strategies for student engagement, morphology and vocabulary, and small group instruction outside of intervention time. Day 2 will focus on abundant writing opportunities, stretch text and fluency strategies for struggling readers, and depth of knowledge and higher level questioning strategies for our more advanced learners. Participants are encouraged to attend both sessions but it is not required.
