

MI School Data

Michigan's Official Education Data Source

MI School Data is Michigan's official resource for education data from preschool through postsecondary and into the workforce.

MI School Data workshops can range from one hour to a half-day workshop and can be tailored to meet your needs.

COURSES AVAILABLE THROUGH EDUPATHS

MI School Data – FERPA/HIPPA Compliance

[Register Now!](#)

Understanding FERPA (Family Educational Rights and Privacy Act) and HIPPA (Health Insurance Portability and Accountability Act) is critical as we work with students and handle their records in our schools. You will be able to answer these questions: Who does FERPA protect? How are FERPA guidelines applied in educational settings? What additional resources are available about FERPA? (30 min)

Navigating MI School Data

[Register Now!](#)

This course will provide an overview of the contents, navigation, and functionality of both public and secure access in MI School Data, Michigan's education data portal. Highlights include a tour of menus, personas, dashboards, and education focus areas. Participants will explore how to access reports, change inquiry settings, and download data. Key features (maps, searching, compare tool, and professional development kit) will be spotlighted. (45 min)
