

# NWEA

## Facilitators

Lisa Zettle and  
Molly Tanner

## When & Where

Contact us to schedule a  
workshop in your building

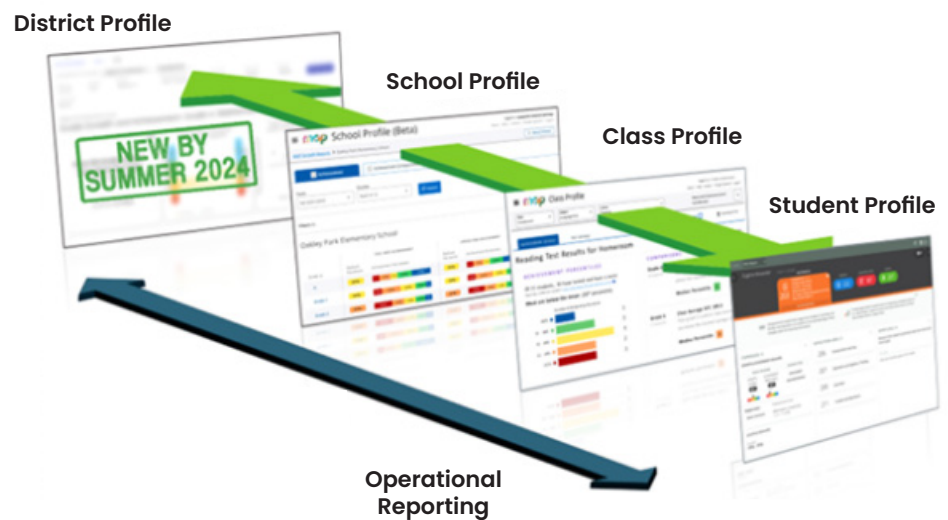

## Cost

No cost for BAISD Districts

\*If you are an educator in  
a district or ISD outside of  
BAISD or IRESA, additional  
fees may apply.

NWEA has streamlined many of their reports into a reporting dashboard for educators. This session is designed to build confidence in reading the new reports and the use of NWEA MAP data and resources for instructional planning. Participants will focus on:

- Interpreting and using the School Profile Report
- Interpreting and using the Class Profile Report
- Instructional Planning and Resources
